NEWARK TAKES GAME

Akron Pitchers' Battle Won by Ehman.

Lancaster Outplayed by Champs—League Standing is Only Slightly Affected.

HOW THE CLUBS STAND.

	W. L. Pct.
Newark	38 20 .67
Youngstown	35 23 .603
Akron	34 24 .589
New Castle	28 29 .491
Lancaster	28 28 .500
Sharon	26 35 .500
MARION	23 33 .411
Mansfield	19 34 .358

MOLDERS WIN IN OPENER.

Sharon, Pa., July 9.—Newark scored three runs in the very first inning off three hits and a wild throw. Sharon tallied, too, in her half, but after that Stoup was invincible when either a hit or a long fly was needed. Snyder was put out of the game in the ninth for disputing Smink's decision. He was ushered off the field by an officer. The feature was the terrific hitting of Gygli, who smashed out three singles and a double in four ties. Score: R H E Sharon 2 0 0 0 0 0 0 0—2 8 1 Newark 1 0 0 0 0 0 0 0—3 11 3 Batteries—McLarkey and Mattoon; Stoup and Winters.

Akron, O., July 9.—"Buff" Ehman had it on "Stoop" in a pitchers' battle here today and Akron won its sixth straight victory. Two of Newark's five hits came in the final inning and until that time the visitors never looked dangerous. Score: R H E Akron 0 1 0 0 1 0 0 1—3 7 0 Newark 0 0 0 0 0 0 0 0—5 5 3 Batteries—Ehman and LaLonde; Steen and McDonald.

CHAMPS WHITEWASH LANKS. Youngstown, O., July 9.—Lancaster was outplayed all around today. The Champs hit opportunistly and ran the bases well. Thomas pitched fine ball. Brown twisted both ankles, but will not be out of the game long if at all. Attendance 745. Score: R H E Youngstown 0 1 1 0 2 0 0 0—4 7 0 Lancaster 0 0 0 0 0 0 0 0—0 8 0 Batteries—B. Thomas and Ostleick; Johns and Fox.

Mansfield Wins Exhibition. The Mansfield Tigers played an exhibition game at Ashland, Tuesday, defeating the Ashlanders by a score of 10 to 3. Gueholz pitched for Mansfield.

AKRON'S NEW SHORTSTOP. Akron, O., July 10.—Albert King, East's newly imported backstop from Olean, N. Y., got in today and is being looked over by the club management. King has been playing independent ball and coaching a college team thus far this season. He looks fit and is loaded down with recommendations.

"DOGGIE" DEPARTS. Akron, O., July 10.—Catcher Ortleb today shook the dust of Akron from his feet. He has gone to Steubenville, of which team he will be a member under the terms of the trade that was recently put through for an exchange of players. The Steubenville club forwarded transportation for Ortleb yesterday, and he left this morning to join Stetler's players.

NEW CATCHER FOR AKRON. Akron, O., July 10.—Manager East has had an eye out for catchers since the recently completed trade with Steubenville left the locals with but one backstop, catching most of the games for the Wadsworth team of the N. O. T. League will probably be given a try in the immediate future. East watched him Sunday from the stand in the Goodyear-Wadsworth game and Mackey made a hit. There was a conference immediately after the game and Mackey will wear an Akron uniform.

SHARON GETS MCCLINTOCK. Youngstown, O., July 10.—As soon as Hilley is in condition to get back into the game, Manager Wright of the Champs, will loan McClintock, utility infielder to Van Patterson of the Sharon team. McClintock is now playing good ball at third for the Champs.

Manager Donovan, of Brooklyn, said the other day another season might elapse before the baggies were added to the pinstriped suits.

Extraordinary OFFER

BY THE
Dr. Taylor Remedy Co.
For the Cure of

ECZEMA

If you have ECZEMA, SCROFULA, PSORIASIS, ULCERS, or any other skin-torturing disease, purchase a set of our remedy from any druggist and if you are dissatisfied with the result, bring your empty wrapper to our office and we will refund your money. It has NEVER FAILED TO CURE the WORST CASES of skin disease. Send for Free Booklet.

DRUMM AND LUCAS HIT LIKE FIENDS

Marion Wins Exhibition
Game with Loudenville

Both Teams Hit Hard but Marion is Master in the Field—Score 9 to 5.

Loudenville, O., July 10.—The Marion O. & P. leaguers gave the Loudenville Clubs their second defeat of the season Tuesday. Both pitchers were hit freely, but Marion's hits were made more opportunely than were Loudenville's. Drumm and Lucas led the hitting, the former with three home runs and the latter with a home run and single. Brown and Graham, of the home team, made sensational catches in the field. Score: Marion 9 1 4 0 2 0 2 0—9 12 2 Loudenville 1 0 0 0 0 3 1 0—5 11 5 Batteries—Lucas and Francisco; Lloyd and Armstrong. Bases on balls—Off Lucas 2, off Lloyd 2. Struck out—By Lucas 1, by Lloyd 4. Umpire—Easley. Time—1:40. Attendance—609.

MAJOR LEAGUES.

New York Nationals Won Two Games from the Cardinals on Tuesday.

WILLIE KEELER'S GREAT RECORD

NEW YORK AMERICAN FIELDER
HAS BATTED BETTER THAN
.300 FOR 14 YEARS.

GREAT JUDGE OF BAD BALLS

Umpires Seldom Call Strike on Famous Welterweight Player—Known as "Brooklyn Millionaire" by Team-mates—His Grand Average With the Stick Since 1893 is .357.

There is not a time during a ball game that Willie Keeler, the welterweight champion batter of the world, starts swinging two bats to get one in shape to hit with that there is not a buzz in the stands. It's "Here comes Keeler up. There will be something doing."

This same Keeler has brought joy not alone to the New York Americans with his timely hitting, but to every club the Brooklyn midget has been with. Keeler walks up to the batter's box, gets close up and never backs away. His judgment on bad balls can't be beaten. In fact, it has been noticed that on several occasions that he will turn around and look at the umpire, who will shout "Ball one" if Keeler does not strike at it. They take it for granted that anything Keeler does not strike at is a ball. Watch him day in and day out and you will notice that the umpire practically leaves it to Keeler when calling them.

Keeler is known by his fellow players as the Brooklyn millionaire. This title is given him because he owns some property in Brooklyn, the town where he was born. Keeler got his education in the public schools there. He often missed an afternoon session and sometimes the entire day to toss a few around with the boys on the lot. It was not long before he attracted attention.

When he was 16 years old he joined the Aces, of Brooklyn. Most of the games were played on Sundays, and the little batter made good right off the bat. He continued in the semi-professional ranks until 1890, when he joined the Crescents, of Plainfield, N. J. His next engagement was with the Binghamtons, and in the fall of 1892 he was engaged by the New York Nationals. The fact that he was a left-handed thrower made the third base proposition difficult for him to play. In the spring of 1893 he started to cover center field for the Giants, but owing to an accident while he was sliding to second base he was out of the game for some time. When he recovered he was released to the Brooklyn club, finishing the season there.

Ned Hanlon at that time took hold of the Baltimore club, and was chasing around for some talent that would strengthen his team. Hanlon had been watching Keeler and at once made a proposition to Charlie Byrne, then the president of the Trolley Dodgers, to trade Treadway and Shindle for Keeler and Brouthers. Byrne jumped at it. Hanlon put Keeler in right field, and there he has been ever since. Hanlon, in 1899, took his Baltimore club over to Brooklyn, and, of course, Keeler was one of the players who went with him. Brooklyn won the pennant in 1899 and 1900, and Keeler did much to land the flag for the City of Churches.

To show that Keeler has hit the pill some since he became a major league player his batting record from the time he was in the big league up to the present time is given below. He led the National league in batting in 1897 and 1898.

Year. Club. P. Rank.
1894—New York and Brooklyn... 337 2
1895—Baltimore... 357 1
1896—Baltimore... 354 2
1897—Baltimore... 382 1
1898—Baltimore... 432 1
1899—Brooklyn... 336 1
1900—Brooklyn... 335 1
1901—Brooklyn... 342 2
1902—New York Americans... 318 2
1903—New York Americans... 343 2
1904—New York Americans... 302 5
1905—New York Americans... 304 11
Grand average at bat .357.

AMERICAN LEAGUE NOTES

Jim McGuire is the fourth manager the Boston Americans have had this season. Butler, the Browns' new third baseman, handles himself like a real ball player. Big "Cy" has landed more games than the remainder of the Boston staff put together. Davey Jones, of Detroit, is the best run getter in the league. He is a dangerous man at the bat. Joe Birmingham, the Cleveland outfielder, was a quarter-back on the Cornell football team two years ago. Detroit's feat against New York of making nine runs in one inning on two successive days is a record. Players who have been on the team with Pat Dougherty declare their belief that he is the best distance thrower extant. Elmer Flick is enjoying the best year of his long career. His brilliant work afield and at the bat is keeping the Naps at the top. Jack Elwood, the young first baseman signed for a try-out by the Washington club, last year was a member of the Fordham college team. Charley Hickman, according to accounts, is playing a fine game at first base for Washington. Hick is a player whom confidence will help a great deal. Pitcher George Dinch, who failed to make good with Detroit, is playing center field for Marshalltown, in the Iowa State league.

BLOOD POISON CURE YOURSELF AT HOME

Contagious Blood Poison begins in the most insignificant way, and with less evidence of what is to follow, than any other disease. The first symptom is usually a little sore or blister, whose appearance does not indicate that deeper down, in the blood, a treacherous and deadly poison has found its way to corrupt and vitiate the entire circulation, and later to disease the body with the most loathsome and hateful symptoms. Unless one has experienced or witnessed the terrible results of Contagious Blood Poison, no idea of its effects can be formed.

When the blood has become fully inoculated with the virus, the mouth and throat ulcerate; glands in the neck and groin swell, and sometimes burst, forming ulcers; the hair comes out; copper colored spots appear on the body; and where the disease is allowed to remain in the system it penetrates deeper and deeper, until it affects the bones, causing them to decay, and makes a complete physical wreck of its unfortunate victim.

Not only the first one who contracts the disease must suffer, but it is transmitted through the blood from generation to generation, and innocent lives are blighted and diseased by this monster poison. No other disease is so highly contagious as blood poison; in the most rival manner it may be contracted by innocent persons. Many have been inoculated with the virus, and suffered the disastrous and destructive effects of the poison, by a friendly handshake, or by using the same tableware or toilet articles, or handling the clothing of an infected person.

Strong mineral medicines like mercury and potash are often given to cure Contagious Blood Poison, but years of failure have proven that such treatment cannot cure the trouble. These medicines can only mask or shut the disease up in the system or awhile; as soon as they are left off the symptoms return in all their hideousness, and he sufferer finds he has wasted valuable time, and, in addition, ruined his health with these harmful drugs.

S. S. S. is the antidote for Contagious Blood Poison—the only remedy that is able to get at the root of the disease and force out every particle of the poison, so that there are never any signs of its return. It can be used and a perfect cure of the disease made in the privacy of your own home. Sufferers from this disease can be their own doctors, and the forty years of cures made by this remedy assures them that the treatment is in every respect the proper one, and that its use, together with any suggestions as to local treatment, which will be furnished by our physicians free of charge, will cure the trouble permanently and privately. S. S. S. is made entirely of purifying, healing roots, herbs and barks. We offer a reward of \$1,000 for proof that it contains a particle of mineral in any form. S. S. S. goes down to the very root of the trouble, and by driving out the last trace of the poison, and making the blood pure and strong, cures the disease thoroughly and with certainty. S. S. S. will also remove the effects of any mineral treatment that may have been previously used.

Our "Home Treatment" book on this disease is a complete guide for treating the trouble. It contains instructions for the different stages of the disease, and also advice about the local treatment that will be the most helpful in effecting a cure. This book, together with any special medical advice desired, will be sent free by our physicians, to all who write.

CLAIMS HONOR OF FIRST TRIPLE PLAY

MARION, O., MAN DECLARES HE TURNED TRICK AWAY BACK IN 1873.

BRINGS PROOF OF ASSERTION

John Darmody, Wealthy Retired Merchant, Disputes Story That Credit Belongs to Hines—Was Playing with Notre Dame College at Time—How Feat Was Accomplished.

John Darmody, society man, and one of the wealthy retired merchants of Marion, O., though still in his fifties and prime of life, not only claims to have made the first triple play unassisted in the history of baseball, but emphasized it by declaring his to be the first and only clean one so far, despite the stories that Hines, who some sporting writers say, made the initial triple play. In his day Darmody was one of the crack players of this section. Had it not been for the pleas of his aged mother the season of 1873—the same year he made his famous triple play—would have found him with the St. Louis Browns. While a student at Notre Dame Darmody held down second base and also played as backstop for the college team. It was here that his playing attracted attention and he signed with the Browns. He had his trunk packed and was ready to go, when his mother pleaded with him, and he remained in Marion, later to wed a banker's daughter and grow rich.

"I believe I would have made good," said Darmody. "Still, I may have gone to the bow-wow and the poorhouse. I know positively that I am the

man who made the first triple putout unassisted," continued Darmody when asked to tell about it. "It was in the spring of 1873. Baseball was something new around in this part of the country then, but I had been playing with the college team in Notre Dame. It was summer and we organized the Stars, and the first season we won 32 out of 35 games. We played Delaware the day I made the now famous triple, and it's laughable when I think of it now, because it was done so quickly the people did not know what had happened, and hooted and yelled at me to throw the ball home when a man was running from third.

"But I just walked slowly in from second, where I had been playing, held the ball till I got to the pitcher's box, then I threw it to 'Red' Dickerson (now Postmaster Dickerson), and 'Dickey' was wise to it all. When it dawned on the crowd what had occurred they nearly tore me to pieces in their crazy enthusiasm. The town was John's.

"This is how the play was made: It was the first half of the second and the bases were full. I was playing second base and was about ten feet off to the left of my station. The man at bat sent me a hot liner that I had to reach up for. When the pitcher swung to deliver the ball the men on bases were off. I got the ball in a flash and leaping to second base planted my feet thereon. My first thought then was to throw the ball to first, but on second thought I concluded I was a good sprinter, so I ran down the man between first and second, and the three were out, though it was a good while before the crowd tumbled to it."

Catcher Joseph Loughlin has been sold to St. Paul by the Cincinnati club. Frank Chance regards the Phillies as the dark horse in the National league race. Western critics regard the Phillies' second basemen, Knabe, as one of the finds of the season. Ed Handiboe, an old National leaguer, has been appointed an umpire in the South Atlantic league. The Pittsburgh club has transferred Pitcher Jimmy Brady to the Johnstown club, of the Tri-State league. Manager McCloskey will use Lush, secured from Philadelphia, in the box when not playing him in the outfield. Elmer Strickland, of Brooklyn, who claims the invention of the "split ball," is a former Washburn college pitcher. The Cincinnati club has sold Pitcher Bill Easick and Ed Minahan to the St. Paul club, of the American association. So far this season Clarence Hoar, midget of the Boston, has stolen 12 bases—41 more than he piffed all of last season.

Just to Me... Ritual. A secret society in Maine is said to have such a fascinating ritual that it came near burying the wrong man the other day.

Nerves Shattered; Heart Irregular

Mrs. James B. Blackburn of Xenia, Ohio, says that nothing equals Dr. A. W. Chase's Nerve Pills in such troubles.

Some medicines affect the heart alone, some the stomach, some the head. Dr. A. W. Chase's Nerve Pills by a happy combination and a perfect control over the nervous system that regulates all the organs of the body affects them all, and puts them in perfect working order. Mrs. Blackburn found this to be true, and has no hesitancy in telling others of the splendid results obtained. In fact, she considers it her duty to do so. She says: "I was troubled with severe nervousness, sleeplessness, indigestion and heart trouble. I heard of Dr. A. W. Chase's Nerve Pills and thought I would try them. I got a box, and I am pleased to say they are just what I needed—my nerves are again steady and strong—I sleep well—I am not troubled with indigestion—the action of the heart is regular and I feel vigorous and strong in every way. I consider the medicine a splendid nerve and general tonic, and am well pleased to recommend it." All druggists or Dr. A. W. Chase Medicine Co., Buffalo, N. Y.
